## REPORT OF FDP ON ENHANCING TEACHING SKILLS

Conducted on 14/6/2022-15/06/2022

Venue: Sastra Hall

Jawaharlal College of Engineering & Technology

Ottapalam, Palakkad

### Organized by the IQAC

The IQAC, Jawaharlal College of Engineering and Technology, Palakkad organized a two day faculty development program on Enhancing Teaching Skills at Sastra Hall JCET. The faculty members of JCET participated in the FDP. A total of 20 members attended the programme.

The aim objectives of this FDP are to

- Move from a (only) chalk-and-talk approach to more interactive methods
- Demonstrate some of the interactive methods through active participation from the attendees
- Help teachers build a bond with their students and work together towards a common goal.

<b>Date</b>	<b>Session I</b>	<b>Session II</b>
<b>14/1/2022</b>	<b>High Impact Teaching Skills Dr.Dileep K IQAC Director ,JCET</b>	<b>Active Learning Statergies Dr,KrishnaMoorthy Vice Principal Nehru Academy Of Law</b>
<b>15/01/2022</b>	<b>Teaching Skills – Classical Methods and Contemporary Methods Prof.VijayaKumaran Pillai HOD,Basic Sciences And Humanities</b>	<b>Online Teaching, MOOCs, SWAYAM Dr.Vijay Shankar U HOD CSE ,Nehru College Of Engineering And Technology ,Pampady</b>

During his interaction Prof.Dileep K introduced 10 instructional practices that reliably increase student learning wherever they are applied. He emphasised that the HITS alone do not constitute a complete framework for professional practice. They are part of the full set of instructional practices that contribute to a comprehensive pedagogical model. Dr.Krishnamoorthy explained the various tools used in strategic learning. During his interaction, Prof.Vijayakumaran Pillai discussed about who a teacher is, and how engineering should be taught. According to him a teacher should not be a teacher in text, but he must be a teacher in the context. He explained about the centrality of assessment and role of assessment in higher education. He said assess as you teach and teach as you assess and spoke about various methods such as News Reports, Reflective Media Dairies, Video Documentaries, Feedback etc. Dr.Vijay Shankar had a detailed session on selecting the MOOC and other online course in various disciplines of engineering.

After the completion of the program, Dr.Umesha K HOD, ECE, JCET thanked all the participants and distributed the certificates . The FDP was an insightful one as observed from the feedback of the participants.
