Visionaries & Dynamic Reformers

Late. P.K.Das
Founder Chairman

Late. P.K.Das, Founder Chairman of the 'Nehru College of Education and Charitable Trust', established in 1968, was a man of great vision, commitment, perseverance, dedication and devotion who pioneered revolutionary and innovative thoughts to revamp technical and professional education in the private sector. He was committed to the cause of the uneducated, the poor and social welfare; and undertook various initiatives such as extending support to the physically challenged, providing free education and medical treatment to the backward class, constituting over a thousand scholarships and awards for the needy children and donating homes for the homeless. The elegance of work culture and charisma instilled by the Founder Chairman still continues to vitalize the synchronized progress of the Nehru Group of Institutions (NGI), making it a prestigious center of learning and research. Let us all be blessed by the might of this great soul, who undoubtedly illuminates our path towards greater glory and success.

Adv. Dr. P. Krishnadas
Chairman & Managing
Trustee

At NGI, student usually come from varied educational and cultural background. Programs offered by Nehru Corporate Placements and Industry Relations (NCP & IR) are designed to instill innovation, leadership, global focus in its participants. Be it core engineering management, applied technologies, aeronautical, administrative, IT, ITES, and social sectors, I am sure that our students will excel in each and every field of his / her choice. The exposure provided at NCP & IR trains students on varied skills and technological areas, but also an overall understanding of the world. The programs offered to Graduates and Post Graduates are continuously monitored and revised to incorporate latest technologies, theories and practices. Industry guest lectures, seminars, HR-enclave are other alternatives by which students get first-hand exposure to corporate expectations. I hope and trust that both NCP & IR and our students will create synergies envisioned by Founder Chairman of NGI.

Dr. P. Krishnakumar
CEO & Secretary

As a part of NGI mission to promote lifelong learning, NCP & IR extends the resources of NGI through professional development and personal enrichment opportunities. Its wide area of skill sets offered addresses the need of the individual learners' personal and professional growth. Although a strong background in traditional skills like mathematics and science will always have its place in academic and career worlds, today an increasing numbers of employers desire prospective employees with skills that enable individuals to adapt to changing circumstances and exhibit willingness to learn through experience. The training program is aimed at enhancing the employability skill set of the student, in which every graduate must hone their skills namely: Leadership Communication, Time Management, Problem Solving and Interpersonal skills. It's our commitment towards social responsibility towards the student at NGI

CITIZEN

Greetings! we ensure that every student is individual care & attention when it comes to employability skills. NCP & IR, training department ensures students are trained on Domain related tools, technologies and soft skills.

Students can access various learning modules available at learning labs or through online e-learning available. 24/7 learning facility at NCP & IR Block enables students any time anything learning. NGI has partnered with Global technology companies like Microsoft, Oracle, Redhat, EMC, Autodesk, Openstack and many more to train our students on various technologies including Cloud Computing. Students also can take up international certification offered by various companies which will help them to have an edge over other students.

NCP & IR believes in 3 C's (Create-Construct-Compensate) which is to create skilled, eligible and employable students. Providing counselling training and support service to develop individual career plan, so the students perform better during the placement drives.

Equipping the students for the right kind of jobs where the Market demands.

NCP & IR establish an interface between the industry and institution with the primary objective of nurturing long lasting and mutually beneficial relationship between institute and industry

It is a great opportunity to be a student at NGI and become truly world-class professional !!!

What we do?

NCP & IR is vibrant, supportive and a collaborative workspace with a great team that works hard and has fun doing meaningful work. The team immensely enjoys their part in contributing to student's career of their choice and

As Career and Placement Specialists, our responsibilities are multifold; some of them being:

- Establishing an interface between the institution and industry with the primary objective of nurturing long lasting and mutually beneficial relationship between institute and industry.
- Providing counselling, training and support services to develop individual career plan, so that students perform better during placement drives
- Developing and providing industry linked internships, seminars, workshops, guest lectures, industrial visits, etc.
- Maintaining an ever-growing database of corporate and industries so as to identify varied job opportunities and to achieve win-win competition.
- Developing industry contact through established industrial committees and forms by attending and presenting our strengths and strategies at various industrial events.

Training @ NCP & IR

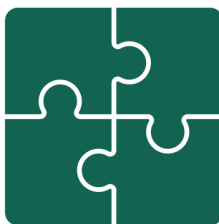

One of the major components of NCP & IR is the training and Development team which facilitates the students to explore the world of employment and new career avenues. It also helps students in career planning through counselling where in they gather information about themselves in terms of their interests, aptitudes and abilities so that they can choose their career more effectively.
